

NOTE THE PAVILION IS HUNDREDS OF YEARS OLD. DURING ITS LIFE SPAN THE BUILDING HAS AGED. THIS HAS RESULTED IN SKEWED WALLS & ROOF BEAMS.

THE ARCHITECTS AND INSTALLATION CREW WILL ENDEAVOR TO BUILD AS ACCURATELY AS POSSIBLE ACCORDING TO THE PLAN, BUT SOME ON SITE ADJUSTMENTS WILL NEED TO BE MADE.

TO ACCOMMODATE UNFORSEEN EVENTS, THE CURATOR AND RELEVANT ARTISTS WILL BE CONTACTED FOR ADVISE ON HOW TO RESOLVE THESE ISSUES DURING BUILD UP.

PLAN

THE SOUTH AFRICAN PAVILION
 Sale D'Armi, Arsenale, la Biennale de Venezia

Empty Pavilion 2019
